On Sunday evening, December 11th, at 7:00 p.m., a special service will be held to commemorate the lives of all children, loved and lost.

Join us for music by Laura Moya and our special guest speaker, Celebrant Holly Pruett.

The service and indoor candle lighting will be in the Adams Chapel at River View Cemetery. Everyone is welcome to attend, especially those families who have lost a child at any age, for any reason.

Please come join us for this very special service.

This year, we will again have a video slideshow in memory of the children whose families plan to attend our service. We invite you to provide us with your child's photo, the spelling of their name and dates of birth and death. For those families who do not have a photo, or prefer not to include one; please submit your child's name and year of death. If you have previously provided a picture, we have kept it and it will be in the presentation this year and years going forward. Please e-mail your photo and information to:

jessica@riverviewcemetery.org no later than **December 5th.**
